Gutwein et al.

Defendants

Case 20 cv 5883

Court Grant leave to

witnesses

-Amended Complaint-

- Facts -

I would have injuries from a previous Excessive Force 12-23-2014 which would require further (already Submitted Document 1-40) I would request Medical Attention all throughout my time at Green Haven and I would be denied my 8th Amendment I also Grieved this fact (See already Submitted Document 1-5 and 35-40) No permits were issued and I would receive Perminate Damage on 9-11-2017 which caused me to put in a 1983 18-cv-2026 to try and resolve this by my protected Conduct

On the date of 7-31-2018 I would request Emergency Sick Call and I was inside my cell when Tina Tomas would state they are coming to get you. 15 minutes later instead of medical coming to get me, two officers and one Sgt came (Co) Polito (Co) Elvis and (Sgt) Elmore in which I was in my cell G-Block 348 and they told me I had to get handcuffed I told them about my Shoulder, and my Medical Border Korabova would not order a permit. Regardless of the fact, I was in pain and hurt so I placed the handcuffs on, I wanted to receive the intended treatment I was then taken out of the cell in handcuffs further thrown on the wall in front of 348 and sexually Assaulted by (Co) Polito for 5 mins until I pulled away (see Document 39-4, 2012) Testimony of Harris, Sgt Elmore would watch the whole time the Sexual Assault and failed to do anything to prevent it regardless, of the retaliation 1st Amendment violation and 8th Amendment from requesting Emergency Sick Call I still would go to sick call in handcuffs, I just wanted to be treated the Deliberate

Indifference Did not stop, as I Continued to go ~~asked~~ the (Sgt) Elmore her name, we were on the second Deck moving on about to go to the first Deck Regardless of the Loss of range of motion in my left shoulder and the Sexual Assault for Self Gratification I was just about to go to the first Deck (Co) Polito pulled his pin and Punched me in the face willfully and Maliciously without provocation or a cause I tried to run away to 5 Company so other could see the "Excessive Force" take place (Co) Elvior would join in the assault AND Battery and they would Ping Pong me, I would be punched in the face twice by (Co) Rios (Co) Polito would hit me twice and once in the Stomach (see Pictures Ex A) Sgt Elmore failed to Give a reasonable Degree of Force that should have been used and watched as the officers Sprayed me and Continued to beat me with evil intent to harm, all in mechanical Restraints, In which Sgt Blot Further Assaulted once he came he would show no remorse and beat me all the way to SHU adding to the Injuries until loss of Consciousness (Co) Polito would falsify Document misbehavior reports to cover up the Assaults and beatings acting other than their normal course of their duty's in which they acted on their own personal Interest in which covering up their involvement By acting out of the Scope of there employment (Girard v 94 ST and Fith Ave Corp 530 F.2d at (2d Cir 1976) also see Twombly 550 US at 570, 127 S.Ct 1955 and this to show that these Defendants are liable for the misconduct alleged (Ashcroft v Algeba 556 US 662, 687, 129 Sct 1937, 173 L.ed 2d 868 (2009) Brandon v City of New York 705 F.Supp 2d 261, 270 (SDNY) In which all the officers Knew of the Damage it would cause and failed to address it by requesting medical assistance for ongoing Injuries and being assaulted in handcuffs giving false Charges to cover up Assaults.

## Violation of Due Process

The fact of the matter there was a Assistant Form See Document 39-1 page 28 of 40 in which 11 people were requested to testify on behalf of the 7-31-2018 Assault that took place and out of the 11 offenders only 2 were able to testify. Some were threatened to say no other stated yes and were not called, Due to penalization or worst, Joshua Louder was penalized Due to testify, and was unable to do so, Due to Departure, from these same officers, who still covered it up and would fail to state why Joshua Louder would not be able to testify, Jague, K would also request to testify and Defendant Gutwein would not state why he could not testify as well. *Savino v City of New York* 331 F3d 63 75 (2d Cir 2003) leaving lesser chance to receive the right judgement on behalf of the Plaintiff, as well as the Denial of camera footage 192 and 194 it would show the ongoing assaults from Officers in handcuffs and the elevator footage camera 33 as well and the extense of Injuries that would be hidden to oppose the judgement from Defendant Gutwein, in which is still ongoing In which I have still not obtained these Documents, Hurting my chance for rightful judgement, for false charged. *Noonan v New York Police* 2018 WL 1738746 in which Hardship became worst by these violations.

*Edwards v Gutwein* 2021 WL 22910669 SDNY and still is ongoing with other Plaintiffs.

Wherefore, Due to the Miscarriage of Judgment by Defendant Gutwein, and his failure to give the Due Process Right, of the Plaintiff and produce the audio and Video of Camera footage Elevator 33, knowing it would show the ongoing assault from (SGT) M. Blot and others would prejudice the Plaintiff and the facts that were Presented showed that Plaintiff had no way of a fair and Impartial hearing without the audio and video, of the requested audio and videos in which he gave Excessive Judgment to 150 Days loss of phone, packages, Commissary, SHU 6 month loss of ~~6~~ 6 months Loss of Good time mixed sanctions Violates Due Process (See Exhibits attached A Notice of Assistance-Assistant Form Document 39-1) I which these Request were order and never presented to help the Plaintiff become A hardship with penalties.

Wherefore, in Conclusion Due to this and the actions of the Defendants I would still have no right to these Documents and The Plaintiff would request the money Damages of 5,000,000.00 Dollars.
